

100 Black Men of America, Inc.
Triangle East Chapter
Youth Enhancement Academy

The Academic Enrichment is a program geared toward African American and other minority male students enrolled in the Youth Enhancement Academy of 100 BMOA Triangle East Chapter. Participants are aspiring to achieve at a high academic level in high school in pursuit of entry into a College/University upon graduation.

The Academic Achievement Covenant (AAC) is an agreement among the student, parent, school staff and the 100BMOA Triangle East Chapter to provide for the following:

Student (Student is to obtain all signatures and provide SPAN info weekly)

*Students are to strive to achieve the following standards

- 1.) A 2.5 GPA or higher is maintained each term.
- 2.) A teacher recommendation is made for at least one honors class each term.
- 3.) A recommendation to at least one or more honor societies is achieved.
- 4.) Join and actively participate in at least one club/organization at school.

*Parent (Assist student in obtaining SPAN info)

Parents are also to support the student to stay focused and attend all workshops/programs to enhance academic progress, preparation and success both at school and through the Youth Enhancement Academy.

*School Staff Sponsor/Advocate

To monitor student's academic progress, to motivate and inspire student achievement and assist with identifying school resources to support student success.

*100 BMOA Triangle East

Will ensure stipulations of the covenant (AAC) are met and will bring forth programs and activities through the Youth Enhancement Academy to support student success.
